

School Counselor

School Counselors Do NOT...

• Refuse to be involved with the student.

• Refuse to provide support and resources to students who are struggling with school, home, or social issues.

• Refuse to provide referrals to appropriate community resources.

School Counselors Do NOT...

• Provide intensive services

• Not therapists

• Assess

Reasons why your child's school counselor may refer them to mental health services:

- They are not being given support
- Inconsistent and/or no support at home
