4. DELAC Report <i>Informe del DELAC</i>	DELAC Representative <i>Representante del DELAC</i>	Share information provided at most recent DELAC meeting <i>Compartir la información proveída en la junta más reciente del DELAC</i>	<p>Mrs. Navarrete shared the DELAC report from Monday's meeting. Mrs. Monica Makiewicz shared the objectives of each LCAP goal. This year there are no re-writes, only adaptations to the goals. She shared that there is going to be a K-12 director appointed at the district to support Martha Dueñas with resources and support for students.</p> <p>She shared that Mr. Gomez (DLI Director) spoke about there are more applicants for DLI than there are current spaces available. Because of this demand, the district's goal is to expand the DLI program. While there is a need for more space, there is also the need for more teachers that are certified for teaching bilingual education. Because of this need Fontana USD is working on training its already active teachers to become bilingual educators, in partnership with UC Riverside, teachers can take classes paid for by Fontana USD if they are interested in obtaining their BCLAD.</p> <p>Mrs. Navarrete shared that Mrs. Martha Dueñas spoke on the topic of EL students and the ELPAC testing currently underway, alongside the SBAC. She mentioned that parents will receive the results in the summer with specifications on what student needs to reclassify. The results will also contain a summary of the programs offered.</p> <p><i>La Sra. Navarrete compartió el informe DELAC de la reunión del lunes. La Sra.
