President Chavez continued her comments by noting a news article about the Randall -Pepper teacher who had reported her testing error; that she thought it was amazing the teacher had the integrity to come forward, and she did not see it as a negative but rather a positive; it showed honesty. BACKGROUND:
Bilingual Paraprofessionals provide primary language support which serves to motivate students, clarify directions and explain facts and concepts to the English Learner. In accordance with the Fontana USD Master Plan for English Learners (ELs) and Goal 2 of the LEA Plan, Bilingual Paraprofessionals work with English Learners with the greatest linguistic needs by previewing and reviewing lessons in the students' primary language, providing small group reinforcement, and facilitating conceptual understanding of core content (i.e., Science, Social studies, Math). In order to remain current with the district's implementation of our plans and goals, Bilingual Paraprofessionals are trained annually on current research-based practices to serve ELs in the classroom more effectively. Additionally, training will enhance and refine their translation and interpretation skills. To develop and build the capacity of our Bilingual Paraprofessionals, quality professional development addressing first and second language pedagogy and instructional strategies is fundamental.

ITEM TITLE: School Year Calendar and Furlough Days

BOARD OF EDUCATION MEETING: 11/14/12
Discussion/Action Session

BACKGROUND:
On June 27, 2012, the Fontana Unified School District took action to reduce the 2012-2013 school year by five (5) days, from 180 to 175 school days. The purpose of the reduction in school days was to provide the District with a savings of an estimated $7,102,883 in personnel and utilities to offset the potential reduction in state funding to the District. On November 6, 2012, the voters of California approved Proposition 30 that provides a flat funding to K-12 Education and eliminated the potential reduction of $17.3M in revenues to the District.

Current agreements with the Fontana Teachers Association and the United Steelworkers Local 5899 allows for the reinstatement of six (6) furlough days for all employees with the exception of members of the Police Officers Association. With the reinstatement of six furlough days for these employees, the 2012-2013 School Year Calendar must also be readjusted to reflect 180 school days.

FISCAL IMPLICATION:
Estimated cost of $7,083,278 (All Funds Combined)

RECOMMENDATION:
The Superintendent recommends that the Board of Education approve the reinstatement of five (5) school days, from 175 to 180 school days, for the 2012-2013 school year for the week of March 25, 2013.
