Think bigger. Work harder. Go further.

A.B. Miller students go beyond knowledge-learning to think differently, solve problems and create new answers. Take a look inside to learn what A.B. Miller is all about.

A.B. Miller High School offers the opportunity for every

A.B. Miller is the proud home of numerous league championship teams in both boys and girls athletics. By participating in our athletic offerings, students learn lifelong lessons in teamwork, discipline and leadership. Inspired by outstanding coaches and competitive schedules, our athletic program emphasizes skill development, teamwork, physical fitness, and above all, sportsmanship. The skills learned here will provide student-athletes the opportunity to be successful today and in the future.

"We work hard and push each other to be the best we can be."

The College, Careers and Economic Development Department works collaboratively with the Teaching and Learning Division and serves as the Fontana Unified School District liaison with local, state and national organizations that connect and support college, career and economic development. The Career Technical Education pathways program is an approach that blends college preparatory academics with rigorous career technical education courses that are centered around an industry sector, pathway and career theme. Students will apply their knowledge and skills in an authentic, real-world context that brings community partners and the school together to prepare students to be College and Career Ready upon graduation from high school.
